

Northtown Dental Center

Financial Policy

As a patient to Northtown Dental Center, you should be aware of our collection policy regarding bills:

You are responsible to Northtown Dental Center for all charges incurred. *All co-payments are due at the time of service.* We will issue claim forms to your insurance company and participate in most health plans. You will be responsible for any charges not paid by your insurance company.

If payment has not been received, we reserve the right to turn your account over to a collection attorney and deemed uncollectible, your credit rating may be adversely affected.

Collection costs, including but not limited to, collection service filing, and attorney's fees will be added to cash balances exceeding 90 days old.

I have read and understand the Financial Disclosure Statement.
